

# ROLL AWAY LOADING LADDER FOR TOP LOADING KILNS

## **APPLICATION**

---

It can be difficult to load larger (especially higher) kilns. L&L offers a relatively inexpensive solution with these two step roll away ladders. It is nice to be able to easily roll the ladder out of the way when you are not using it. You can also use these for other tasks in your studio.

Roll away ladders feature swivel casters that are spring loaded to retract when you stand on the ladder. Handles are included to help you stabilize yourself. Width is 18". The top step is 20" high.

## **PRICE**

---

Two Step Ladder: \$185

Part Number: M-A-LAD2/00

Price includes the cost of crating for common carrier. The ladders come unassembled and some fairly simple assembly is required.

## **SHIPPING**

---

These ship by UPS
