Physical Street Address: (PO Box is Not Acceptable) \_\_\_\_\_

City/Province/Zip: \_\_\_\_\_

**Delivery address:**  - Residential  - School or Institution  - Commercial Business

Residential classification means non-commercial. Homes (even if a business is run out of a home) and apartments are considered Residential. The exact classification varies by carrier. The carrier can tell by your exact address and this hopefully has been factored into your shipping quote. If the address changes from what is quoted you may incur "residential" charges. The reason for "residential" charges is that carriers expect to have more driver involvement when delivering to non-commercial sites. Kiln Orders are also not delivered by your local Post Office.
