

EASY-LOAD KILNS – SHIPPING QUOTE FORM

Shipping for EL front-loading kilns is arranged by L&L through trusted air-ride carriers when possible. When your order is ready to ship, we will contact you to receive approval before shipping. All EL kilns are shipped with a “call before” notification. **All EL kilns must ship directly to the customer (end-user).** Shippers generally require a 4-hour window for delivery. After the kiln ships, our carrier will contact you in advance to arrange delivery.

Note: you must have a forklift to receive the kiln and lift it off of the pallet.

NOTES ON DELIVERY: Please note, the fact that a business is purchasing this kiln does not mean the building where you are receiving the kiln is a commercial address. *Any business operated from a home, apartment, or other dwelling where people live on the premises is a residential address for the purpose of shipping.* Exact classification can vary by carrier. Carriers will re-classify delivery addresses as they deem necessary. Schools or Institutions may incur a limited access fee. Kiln Orders are only deliverable by freight carriers. For difficult delivery situations, L&L may require you to pick up the kiln at a shipping terminal.

Common Carrier shippers will drop your kiln off curbside or on a loading dock. **THEY WILL NOT MOVE THE KILN FOR YOU.** You must be prepared to move the heavy pallet(s) with a pallet jack or forklift to a protected location when the kiln is delivered. All EL kilns are shipped with a “call before” notification. Shippers generally require a 4-hour window for delivery.
